## ATTENTION

All deliveries are made from monday to friday. The pallets unloading is included only with a "delivery by courier" or with "tailgate option". In that case, pallets are unloaded next to the lorry. Depalletization, handling up to the installation site, unpacking and putting into service of the products are not included in the delivery service. The carriers are not responsible for nonreturnable pallets and packaging waste. The feasibility of non-standard delivery has to be study and costing from a service provider.
